Phenomenon was purchased mid-August 2020, and was one of the first three of the herd. What can i say about this cow that you can't see? She does have a very little bit of brindling going on, but it is very slow changing. She is a bigger cow. The last time I weighed her, she was 1290lb. She prefers to be hand fed, when I do feed, or at least away from the other cows. In the pasture, she's one of two lead cows. If she's not at the front of the herd, she's
